VENOM

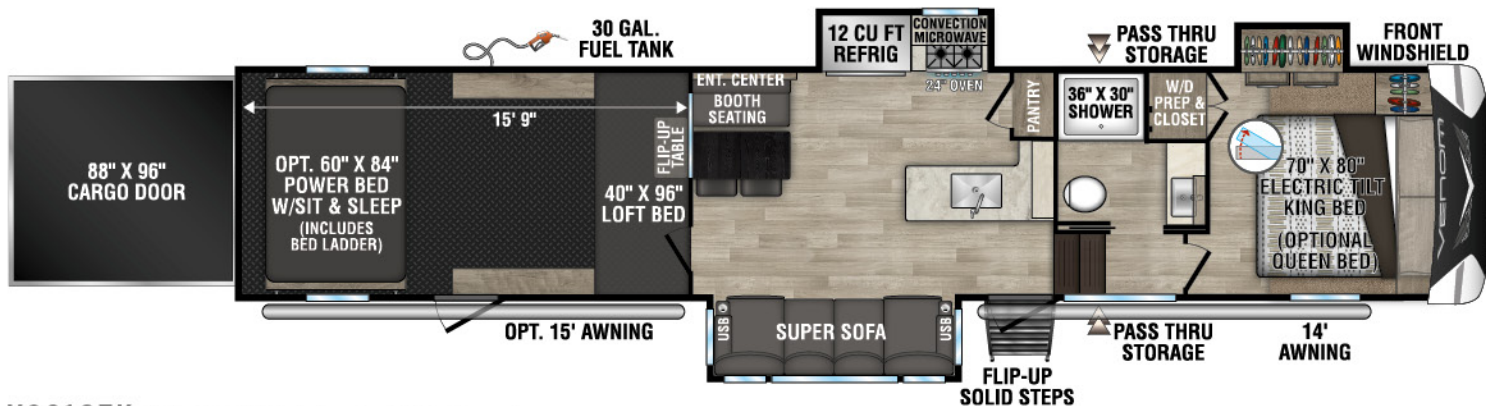

V-SERIES

LUXURY TOY HAULERS

Starting with standard features like auto-leveling, generator prep, and residential kitchen, Venom will check off everything on your must-have list. Venom V-Series is your gateway to adventure!

2023 VENOM V-SERIES

V3916TK UVW - 13,400 | Exterior Length - 43' 8" | Sleeps - 8

"OFF THE GRID" SOLAR PACKAGE

- Optional "Off the Grid" Solar Package: The roof solar prep connection makes it a breeze for our dealers to install solar panels. We use (2) 220W solar panels tied in series to produce more power than just (1) 440W panel. The MPPT charge controller produces 30% more power from the solar panel, and it's 70% more efficient than the PWM controller that competitors use. We are also able to determine battery type, lithium or lead, to maximize performance. "Off the Grid" Solar Package includes:
 - (2) 220W solar panels
 - 30A MPPT solar charge controller with MPPT remote panel
 - 2,000W pure sine wave inverter making all electrical outlets "hot"
- Plus add on (2) 100AH lithium batteries.
