OUR RELENTLESS PURSUIT IS "EXCELLENCE"

MXT by K-Z

MXT 26

With its optional 19" LCD TV screen, you can enjoy hours of entertainment without taking up valuable space. Safely stow it away against the wall or view it from one of four positions.

View from home position

View from the back of the unit

View from the front of the unit

View from outside the unit.
(Available on some models)

XTREME **X**CELLENCE BY **K-Z**

The MXT offers a large storage area to haul your bikes and other favorite toys with you. When your toys are unloaded, the MXT then becomes a spacious living area with all the comforts of home.

The MXT kitchen is designed with European cabinet doors, a standard convection microwave and fold down countertop extension.

Optional Rockford Fosgate stereo with IPOD hookup and exterior speakers offers you many hours of fun and entertainment.

The MXT comes equipped with a full bathroom.

Four durable, deep plastic sliding draws mounted on a metal drawer guides.

Optional European flush mount large single bowl sink and two burner cook top offers ample countertop space.

**EXCITEMENT
JUST GOT A
NEW NAME**

MXT 264

The MXT is available in six floorplans 26 feet and under. Despite its good looks, comfort and style, the MXT is economically priced, allowing you to travel with your recreational machines in style.

19" LCD flat screen TV with rotating bracket allows you to view the TV from the living area or the bedroom.

Hide away your kitchen sink and stovetop for more counter space when needed. Shown with cocktail table removed for added floor space.

Slide out kitchen on our MXT 264 floorplan.

Our optional cocktail table with marine grade leg allows you to entertain your friends without adding a bulky table.

MAXT BY K-Z MXT 266

The kitchen features a space expanding slide-out and sleek, clean contemporary styling. Cabinets with smoked glass fronts provide storage and the optional sound system, with dual bass speakers, is like no other!

A flat screen TV on swivel bracket can be positioned for exterior viewing.

Shown with table removed for added floor space.

Contemporary styled bedroom provides a warm and comfortable sleeping area.

Patent Pending Technology

One more innovative reason why KZ leads the pack.

The completely new rear hatch-style cargo bay entry door features gas assist lift arms with under floor storage of the roll-out ramp and entry threshold.

TOY HAULER

dealer:

*Proud recipients of
seven DSI Awards*

2X2 WARRANTY – The K-Z 2x2 Warranty is a manufacturer's warranty. Each K-Z product is warrantied to the original purchaser for twenty-four (24) months from the original date of purchase. Coverage includes appliances, components, construction and FULL structure. Our warranty is also transferable within the first two (2) years for a small processing fee. For a copy of the warranty with full terms and conditions, ask your local K-Z Dealer or visit our web site at <http://www.kz-rv.com>.

VEHICLE LOADING – Every effort has been made to provide the greatest number of options for the recreational owner. Each owner is responsible to select loads allowing the recreational vehicle to remain within the manufacturer's specified chassis weight limits. Do not overload the recreational vehicle.

UNLOADED VEHICLE WEIGHT (UVW) – The typical weight of this trailer as built at the factory. The UVW does not include cargo, LP gas, fresh water, options or dealer-installed accessories.

GROSS VEHICLE WEIGHT RATING (GVWR) – The maximum permissible weight of the trailer, including the UVW plus passengers, all cargo, personal items, fluids, options and dealer-installed accessories. The GVRW is equal to or greater than the sum of the UVW and the NCC.

NET CARRYING CAPACITY (NCC) – The maximum weight of all passengers, tools, personal items, fresh water, food, LP gas, other cargo and dealer-installed accessories* that can be carried by the trailer. NCC is equal to or less than GVWR minus UVW.

* The addition of options will decrease the NCC.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a seasoned veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction.

See specification chart above. K-Z affixes a weight label to each new RV which lists weight information for that vehicle.

NOTE: *This information is intended as a guide only. Weights of individual vehicles are approximate. Consult your Owner's Manual for complete loading, weighing and towing instructions. All weights may vary.*

Due to continual research and advances, manufacturer reserves the right to change specifications, design, price and equipment without notice, and assumes no responsibility for any error in this literature.

Some items shown are not included as standard or optional equipment.
