TRAVEL TRAILERS and FIFTH WHEELS

*A Change of Pace... A Change of Scene*

Helping You Get Away  
From It All Since 1972

# Spree

## Travel Trailers

Spacious from end-to-end, the expansive side slide out means you'll never be pinched for space. The wide windows of the living/dining area provide a great view. Decorator fabrics, coordinated window valances and blinds, and random plank-look linoleum add that special touch.

Storage isn't a problem... the look of leaded-glass graces the overhead cabinets and the entertainment cabinet effectively creates cozy privacy in the front bedroom while the kids enjoy dual bunks in the rear slide out.

The kitchen's upper cabinets and optional refrigerator door feature the classic beauty of raised panel doors.

Dual bunks, storage and privacy curtains give the kids a space of their own.

# 318BHS

Relax and enjoy a good night's rest.

At the end of a busy day, refresh yourself in this complete bath.

Here's a popular option – the dual bunks can be replaced by a comfy convertible sofa with a stow-away bunk above. The bunk easily drops down when needed and the sofa expands to create even more sleep space.

# 289KS

The large dinette quickly converts into a spacious bed.

An expansive king-sized bed and increased living area are the result of the large rear slide out.

Now you can take your big toys along!

Comfort and convenience are designed into this convertible sleep space/cargo bay. The bed is flanked by matching mirrored wardrobes with cargo-netted storage compartments above.

Shown with optional bedroom door ramp

The wide side-entry door ramp with extension makes loading and unloading a breeze.

The bed easily stows out of the way with gas assist lift arms.

# 323RLSLX

The 323RLS living and dining side slide out will provide you with the comforts of home. The entertainment center's location provides viewing from anywhere in the main coach.

Meal preparation is convenient and this easy-care linoleum features the rich look of random plank flooring.

The bedroom with its queen-size bed, is separated from the main living area by a spacious walk-thru bath.

Matching mirrored wardrobe doors and abundant overhead cabinets provide you with comfortable personal space.

# 285RL

# Spree

## Fifth Wheels

The all new Spree lightweight fifth wheel is engineered to provide everything that you would expect and more. From the full size slides to the expansive basement storage this aerodynamic lightweight can easily be towed by a half-ton truck.

The kitchen is just another example at KZ engineering. Functional, plenty of storage and all the warmth of home.

The best way to describe the Spree is spacious. There is plenty of warm comfortable seating room and a very open design so you'll never feel confined.

Matching mirrored wardrobe doors provide you with comfortable personal space.

Enjoy the privacy of your own master half-bath

Relax and enjoy the view in these cozy recliners. Another example of the roomy comforts the new Spree lightweight offers – no compromising here...

- 15,000 BTU A/C
- LCD Flat Screen TV
- Power Awning
- Jiffy Sofa w/Flip Up Bunk (318BHS)

## Because it Rains!

Here at K-Z we know a little bit about camping, actually we know a lot about camping. One thing you can count on, it will rain. We randomly test our K-Z campers from every product line in our state of the art rain booth. The rain may spoil your fun outside, but it won't inside.

Another KZ standard – newly designed drip rails and spouts keep the water flowing away from the sidewalls.

## Fifth Wheel Floor Plans

**2X2 WARRANTY** – The K-Z 2x2 Warranty is a manufacturer's warranty. Each K-Z product is warranted to the original purchaser for twenty-four (24) months from the original date of purchase. Coverage includes appliances, components, construction and FULL structure. Our warranty is also transferable within the first two (2) years for a small processing fee. For a copy of the warranty with full terms and conditions, ask your local K-Z Dealer or visit our web site at <http://www.kz-rv.com>.

**VEHICLE LOADING** – Every effort has been made to provide the greatest number of options for the recreation vehicle owner. Each owner is responsible to select loads allowing the recreational vehicle to remain within the manufacturer's specified chassis weight limits. Do not overload the recreational vehicle.

**UNLOADED VEHICLE WEIGHT (UVW)** – The typical weight of this trailer as built at the factory. The UVW does not include cargo, LP gas, fresh water, options or dealer-installed accessories.

**GROSS VEHICLE WEIGHT RATING (GVWR)** – The maximum permissible weight of the trailer, including the UVW plus passengers, all cargo, personal items, fluids, options and dealer-installed accessories. The GVRW is equal to or greater than the sum of the UVW and the NCC.

**NET CARRYING CAPACITY (NCC)** – The maximum weight of all passengers, personal items, fresh water, food, tools, LP gas, other cargo and dealer-installed accessories\* that can be carried by the trailer. NCC is equal to or less than GVWR minus UVW.

\* The addition of options will decrease the NCC.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a seasoned veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction.

See specification chart above. K-Z affixes a weight label to each new RV which lists weight information for that vehicle.

**NOTE:** This information is intended as a guide only. Weights of individual vehicles are approximate. Consult your Owner's Manual for complete loading, weighing and towing instructions. All weights may vary.

Awarded to K-Z  
six years in a row.
