

DURANGO

**Travel Trailers
Fifth Wheels**

355BH

Beautiful cabinetry throughout, there is plenty of storage to accommodate everything you need to prepare your favorite meals.

Not only is there a private bunk room for the kids and their friends, its located at the opposite end of the master suite offering you plenty of privacy, and maybe a little quiet time too.

DURANGO

Reach New Heights

This year's Durango reaches new heights of excellence in comfort and design.

Explore a road you never dreamed of taking before and see where it leads you.

Dual entry bath and hallway, another KZ innovation that gives a residential feel to your Durango. The standard 26" LCD flat screen TV and optional fireplace enhance this interior.

The master suite is both plush and thoughtfully laid out, not compromising on any storage area, there's plenty.

305KS

This great kitchen layout features plenty of cabinet storage, a standard 26" LCD TV and wood panel refrigerator doors. You'll appreciate the efficient use of space every time you step into your Durango.

The biggest decision you may be faced with is not wanting to leave. Durango offers enough room and comfort to stay a little, or maybe a lot longer.

This dining room features large windows and an elegant table, shown with designer chair option.

The master suite is beautifully decorated. The color coordinated bedding, combined with the warm trim and cabinetry, invites you in even if it's not bedtime.

3557PX3

DURANGO LX

Answer the call of the wild
in your new Durango.

Standard 26" flat screen LCD TV on swivel arm is perfect for viewing from anywhere.

This kitchen offers a standard eight cubic foot refrigerator with adjacent pull out pantry.

The standard air bed hide-a-bed offers a comfortable place to rest as well as plenty of storage.

3557PX3

Stainless steel appliances, pull out pantry and island make food preparation and clean up a breeze. Shown with optional solid surface countertop.

Sometimes getting away really means getting away. Those times are perfect for the master suite, complete with mirror closet doors and wardrobe, or optional wood cabinet.

Spacious side bath with shower surround features the look of marble and a glass shower door.

DURANGO and DURANGO LX Features

Exterior Features

Lots of storage

Enclosed utility center

Another KZ standard – newly designed drip rails and spouts keep the water flowing away from the sidewalls.

Combo porch light and security light

Because it Rains!

Here at KZ we know a little bit about camping, actually we know a lot about camping. One thing you can count on, it will rain. We randomly test our KZ campers from every product line in our state of the art rain booth. The rain may spoil your fun outside, but it won't inside.

/ We at KZ realize that you may travel within the northern and southern climates and added R value is not just a luxury but a necessary option for your comfort. So we decided to option the flex foil and thermal panel windows on the Durango.

2X2 WARRANTY – The KZ Recreational Vehicles 2x2 Warranty is a manufacturer's warranty. Each KZ product is warranted to the original purchaser for twenty-four (24) months from the original date of purchase. Coverage includes appliances, components, construction and FULL structure. The appliances and other amenities are warranted by the individual manufacturers of those components, not KZ. Our warranty is also transferable within the first two (2) years for a small processing fee. For a copy of the warranty with full terms and conditions, ask your local KZ Dealer or visit our web site at <http://www.kz-rv.com>.

VEHICLE LOADING – Every effort has been made to provide the greatest number of options for the recreation vehicle owner. Each owner is responsible to select loads allowing the recreational vehicle to remain within the manufacturer's specified chassis weight limits. Do not overload the recreational vehicle.

UNLOADED VEHICLE WEIGHT (UVW) – The typical weight of this trailer as built at the factory. The UVW does not include cargo, LP gas, fresh water, options or dealer-installed accessories.

GROSS VEHICLE WEIGHT RATING (GVWR) – The maximum permissible weight of the trailer, including the UVW plus passengers, all cargo, personal items, fluids, options and dealer-installed accessories. The GVRW is equal to or greater than the sum of the UVW and the NCC.

NET CARRYING CAPACITY (NCC) – The maximum weight of all passengers, personal items, fresh water, food, tools, LP gas, other cargo and dealer-installed accessories* that can be carried by the trailer. NCC is equal to or less than GVWR minus UVW.

* The addition of options will decrease the NCC.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a seasoned veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction.

See specification chart. KZ affixes a weight label to each new RV which lists weight information for that vehicle.

NOTE: This information is intended as a guide only. Weights of individual vehicles are approximate. Consult your Owner's Manual for complete loading, weighing and towing instructions. All weights may vary.
