

VENOM

Luxury Fifth Wheel Toy Haulers

VENOM

Venom is a lightweight, high-profile, wide body toy hauler that is by far the most exciting towable on the market today. Venom was designed with the discerning consumer in mind, offering not only all the traditional features buyers expect, but many luxury items that will attract the high-end fifth wheel owner as well.

(Right) Venom is unlike any toy hauler you've ever experienced. Plush furniture, residential cabinets with large grab handles and hidden hinges, decorative LED lighting, well-positioned seating and a humongous TV are just some of the features you'll find. Standards also include a full-surround entertainment system, incredible lighting throughout and substantial storage.

(Below) The kitchen area provides functional countertop surfaces and generous cabinet storage, a stainless steel appliance package (including 30-inch residential microwave), double-bowl sink and high-arching sprayer faucet.

V4114TK . Sandstorm décor

V4114TK . Sandstorm décor

The 3911TK, 4111TK and 4114TK boast enormous, self-illuminating pantries.

V4114TK • Sandstorm décor

The garage area in the 4114TK includes a swing arm TV for multiple viewing angles (and access to connections behind the TV), plus a radio with speakers in the ceiling. It's also prepped for washer and dryer.

V3411TK - Sandstorm décor

You'll find the 3411TK provides very efficient spaces in a small floorplan. It's pedestal tables can be used individually, offering more flexibility. This floorplan also includes a coat closet at the entry, spacious countertops and cabinets and stainless steel appliances.

The optional three-season door closes and allows for heating and cooling while the patio deck is set up. It also offers screens that allow for fresh air circulation while keeping insects out, yet still opens to allow toys into the garage.

V3411TK

The 3411 offers an incredible expanse of pantry and entertainment storage opportunities.

V4020DQ . Nighthawk décor

The 4020DQ offers a front living room entertainment kitchen slide. Venom engineered the best use of space in this front living room toy hauler, including ample countertops, cabinets, and even a window!

The front area of the 4020DQ garage converts to a relaxing area when the toys are removed. The queen size bed drops down, and makes for a nice bedroom that includes a washer and dryer closet, a TV, ample storage and swing doors for privacy.

V4020DQ

Very few toy haulers offer two sofas, especially in a front living room. One of these makes into a bed and the other is almost seven feet long. The 4020DQ provides a great open feel.

Construction Standards

- 101" Wide Body Construction
- 6-Sided aluminum frame, including welded aluminum fore & aft floor joists, sidewall framing, & roof trusses
- Extra Reinforced Heavy-Duty Front Fiberglass Cap
- Radius Aerodynamic Front Cap
