

# 7 TOP RVs

## FOR 2021

By Norm Rosen

With the world focussed on safe vacation alternatives, the RV industry has responded with a wide range of vehicles that fit the needs of modern families. From the large and ultra-luxurious fifth wheel trailers like the Durango Gold model shown here, to travel trailers,

motorhomes, truck campers, and multi-purpose units, the RV class of 2021 is destined to become a major factor in the vacation lifestyle of millions of Canadian families.

This special spotlight section includes a handful of units selected from our 2021 RV Buyer's Guide

files. For more information on the specific models shown here, please follow the links included with each story... for more information on a wider range of models, and access to our archives of 50 years of expert RV articles, please visit our website at [www.rvlifemag.com](http://www.rvlifemag.com).

## KZ RV DURANGO GOLD G356RLT 5TH WHEEL

The Durango Gold G356RLT 5th wheel is one of the KZ RV full-time, four-season luxury 5th wheel models, featuring residential furniture, chef's kitchen, multiple slide-out rooms, and a full range of conveniences including washer/dryer prep, king bed, walk-in closet, and residential shower with built-in seat and glass doors. This model, measuring 35' 6" with triple slides has a dry weight of 11,370 pounds, pin

weight of 2,470 pounds, and a GVWR of 14,995 pounds. The trailer features radius front fiberglass cap, frameless dual-pane windows, aluminium framed roof, walls, and floor, an all-weather package, and a 1-piece Tufflex roof with 20-year warranty. Popular options include the KZ advantage package, the convenience package, an off-grid package, a 6.5 kw LP Onan generator, and a slide-out cover package.

**MSRP – BASE – NOT INCLUDING PDI, FREIGHT, OR TAXES, \$86,790 US.**
